

# Teambuilding backdrops

Heighten the potential by letting groups gain inspiration from great scenery and helpful motivators. *Helen Dalley* gives the lowdown on bonding with a view

## In Motion Asia

**Where?** Based in Taipei, In Motion Asia is a DMC with teambuilding as a specialty. It has also recently opened an office in Phuket.

**What's it like?** In Motion offers teambuilding programmes across Taiwan, Thailand – including Phuket, Koh Samui, Bangkok, Chiang Mai and elsewhere on demand – as well as Boracay, Philippines. “Some of our new programmes in Thailand include Thai cooking workshops and elephant care,” says director Cam McLean.

**Popular:** In Motion’s most well received activities range from dragon boating and dragon dancing to GPS Geoteaming, a treasure hunt. “The favourite is The Amazing Race, as the event offers a lot of action in a short timespan in highly scenic areas and can also accommodate large groups,” says McLean.

The race is popular with multinational Asia Pacific-type conferences as the event provides a mix of teambuilding and sightseeing. In Taiwan, In Motion offers a new venue for The Amazing Race at Shifen – famous for its mountain scenery, waterfall and railway – around 45 minutes northeast of Taipei. “This incorporates a group DIY lantern making workshop, which has been very well received,” says McLean.
